

**“CONCERT UNIFORM “
ORDERING PROCEDURE!
Treble, Intermezzo, Concert, and Honors Choirs**

Chorus families purchase new Schoolbelles [our “school code” is 1614] uniform pieces through a simple procedure. This is how it works:

Step 1: “Veteran” singers, especially if they’ve changed levels, try on their old concert uniforms to see what pieces they need to replace.

Step 2: Singers new to PCC check the blue information pages found on the sign-in table or on our website to see what uniform pieces they need for this season.

Step 3: “Veteran” singers bring in old uniform pieces that no longer fit (including red shirts) or that they no longer need, all clearly labeled with the singer’s name. You can bring them in any time before the next used uniform sale (September & February).

Note: Used uniform pieces must be clean and pressed or we won’t sell them.

Step 4: USED UNIFORM SALE -- You can purchase used uniform pieces (including red shirts, suspenders, khaki pants and shorts, & jackets) at the next used uniform sale. Check our website or the hall table for the date.

If you don’t find everything you need at the sale, . . .

Step 5: Pick up a Schoolbelles catalog from the sign-in table on a rehearsal night. You order from them either (a) on line at www.schoolbelles.com, where our school code number is 1614, (b) by phone (see the catalog), or (c) you can go to their Des Plaines store (closed Mondays) on the corner of Lee and Oakton—it’s only 20 minutes from us.

Don’t wait ‘til the last minute! If the uniform is backordered or arrives but doesn’t fit, you’ll need time to exchange it!

It’s the parents’ responsibility to order uniform pieces early so they’ll arrive well before our dress rehearsals!
