

HOW TO ORDER A PCC RED POLO SHIRT

If your child is **NEW** to the Palatine Children's Chorus, you'll need to order a red polo shirt for our "informal" winter uniform. This informal uniform, called the "denim and red," consists of the red polo shirt; neat, clean straight-leg blue jeans that fit at the waist and have no holes or fraying; and white socks with plain white, clean Keds-type gym shoes. (Even boys must wear plain white gym shoes.)

We occasionally wear white turtlenecks under the red polo shirt.

If you need to order a polo shirt, please mark the appropriate size below and return that portion of this note along with your check made payable to the **Palatine Park District**.

If your singer is a Chorus "veteran," you may still need to order a new shirt—or, if you chaperone occasionally, you may want your own shirt. We do like our chaperones to wear "denim and red" when it's appropriate. Remember that when we travel, everyone on the trip needs 2 red shirts.
